Making Sense of Creation and Fall

How Themes in Genesis 1–3 Help Us Understand the Bible, God, and Ourselves

Vern S. Poythress, R. Albert Mohler Jr.

Summary

***Making Sense of Creation and Fall* explores the theological meanings of God's acts in Genesis 1-3 and demonstrates how they relate to redemption and to the new heaven and earth. Professor Vern Poythress shows how themes such as creation from nothing, light, darkness, water, separation, dry land, life, multiplication of living things, image of God, dominion, temptation, and fall refer to real events in Genesis 1-3 and at the same time have rich connections with the subsequent redemptive work of God that reaches its climax in the life, death, and resurrection of Christ. This book promotes a rich appreciation of the created world and leads us to praise God the Father, who creates and redeems through his Son by means of the Spirit.**

In the Making Sense theology series, Vern Poythress develops insights on the Trinity, man, and God by viewing them from multiple perspectives that arise from biblical themes. God is the ultimate source of truth and is always consistent with himself. Thus, the trut...

Before the Throne of God Above

1 Before the throne of God above
I have a strong and perfect plea,
a great High Priest whose name is Love,
who ever lives and pleads for me.
My name is graven on his hands;
my name is written on his heart;
I know that while in heav'n he stands,
no tongue can bid me thence depart.

2 When Satan tempts me to despair,
and tells me of the guilt within

This Isn't the Story I Wanted

*Grieving the Life You Lost and Trusting the
God Who Stays*

Nicole Langman

*Therapist and social worker with personal loss
writes to women navigating non-death grief*

Life is unpredictable, and when the inevitable losses happen, women often fall into the trap of minimizing the pain they experience because it feels unworthy to name as *grief*. They measure their loss against death and conclude it does not count, leaving no space to process or heal.

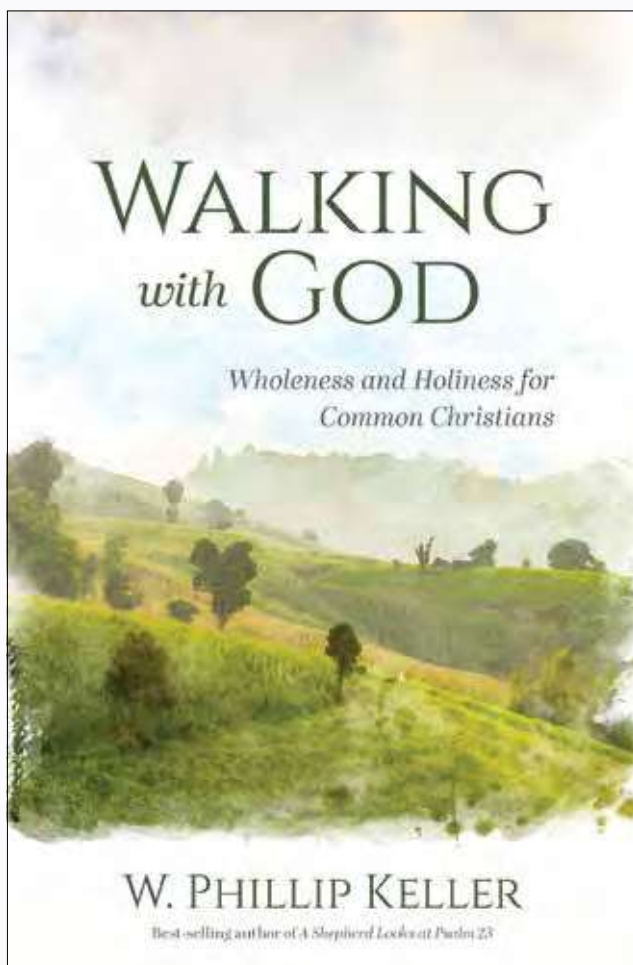

Nicole Langman writes to these women and says loss should never be minimized. When the future is ripped out of their hands, women need a gentle voice to guide them through their feelings—a voice with biblical wisdom, tender understanding, and a therapeutic approach. *This Isn't the Story I Wanted* offers women practical support, faith-based hope, and guidance from a professional who has traveled the path of non-death grief. Nicole validates women's pain and demonstrates how God's presence can transform the valley of grief into a journey of healing and growth.

Designed with the grieving reader in mind, the book is made up of short, stand-alone, devotional-style chapters that integrate descriptive storytelling and therapy-based reframing techniques to help readers find hope and freedom in their pain. The jagged edges of unwanted goodbyes and brokenhearted living are painful, and *real*.

Nicole Langman (BSW, MSW, RSW) is a writer, speaker, and social worker in private practice in Ontario, Canada. She is the author of *You Are Wanted*. Her devotions can be found on the You-Version Bible App and have been included in Proverbs 31 publications, EABooks Publishing, (in)courage, and Carol Kent's recent book, *Life Lessons for Moms*. Find her at nicolelangman.com.

Unique Selling Points

- Combines personal stories, Scripture, and therapeutic techniques to offer a comprehensive guide to healing
- Author is a therapist with over 25 years of experience and a personal journey with non-death loss

Walking with God

Wholeness and Holiness for Common Christians

W. Phillip Keller

Fresh edition of a classic for a new generation of believers

Our can feel like a particularly challenging, frustrating, and exhausting time, fraught with danger and division everywhere we look. Yet no matter what time we live in or what circumstances we face, God calls us to walk with him through it. But what does that actually look like? When our schedule is demanding, the news is disheartening, and our relationships are floundering, what does it really mean to walk with God?

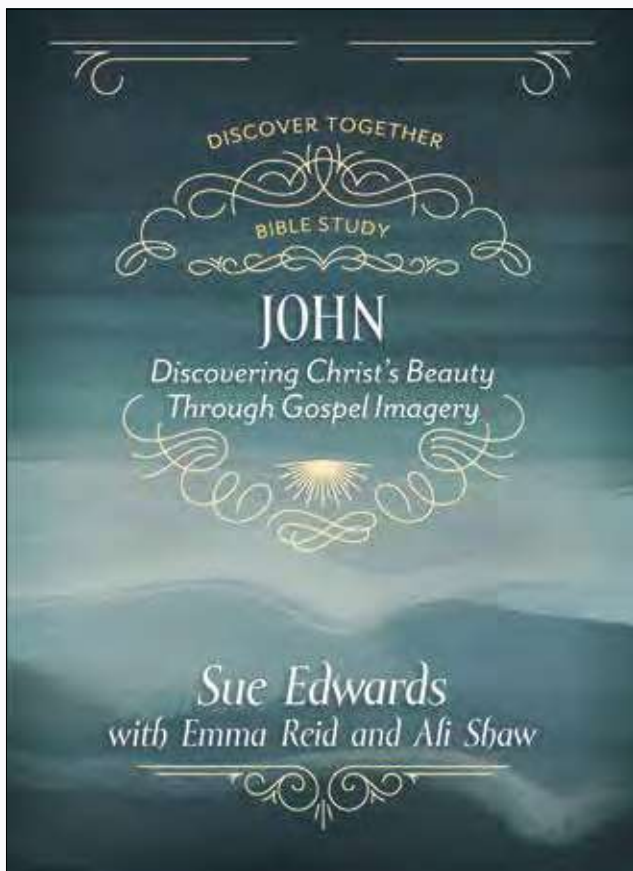

With energizing and inspiring prose, best-selling author W. Phillip Keller explores the practical implications of living in daily communion with God. Rather than being reserved for the loftiest of saints, this kind of intimate fellowship is promised to every believer who longs to live in the daily joy of God's presence.

If you are weary or worn, if you have lost your way, if you don't know where to turn, Keller calls you to accept God's invitation to walk humbly with him. The rewards of such a walk are guidance, comfort, and direction along life's winding and sometimes bewildering path.

W. Phillip Keller (1920–97) grew up in Africa as the son of missionary parents. He traveled extensively throughout the world as a nature photographer and agronomist. His many books include the best-selling *A Shepherd Looks at Psalm 23*, with more than two million copies in print, as well as *God Is My Delight*, *Strength of Soul*, and *Outdoor Moments with God*.

Unique Selling Points

- A poetic and practical guide to living in close communion with God
- Offers profound spiritual truth in accessible, everyday language
- Perfect for new believers and for those who are craving a more intimate walk with God

Discovering Christ's Beauty Through Gospel Imagery

DISCOVER TOGETHER BIBLE STUDY SERIES

Sue Edwards with Emma Reid and Ali Shaw

A fresh vision of Jesus for women who long to connect with their Savior more intimately

God's Word nourishes the heart, mind, and spirit. But too often today's busy woman is surviving—barely—on spiritual snacks snatched from the margins of her day. Distractions sidetrack us from what God longs for us to know.

This study of the book of John invites women to encounter the Savior through John's unique images of Jesus—as the Word, the Light of the World, the Living Water, the Good Shepherd, and more. In exploring these winsome pictures, Sue Edwards, Emma Reid, and Ali Shaw encourage women to leave behind their presuppositions and personal agendas in order to get to know Jesus more intimately.

Perfect for small groups, women's ministries, and individual reflection, this study of John's gospel is accessible to new Christians yet substantial enough for lifelong believers who want to go deeper.

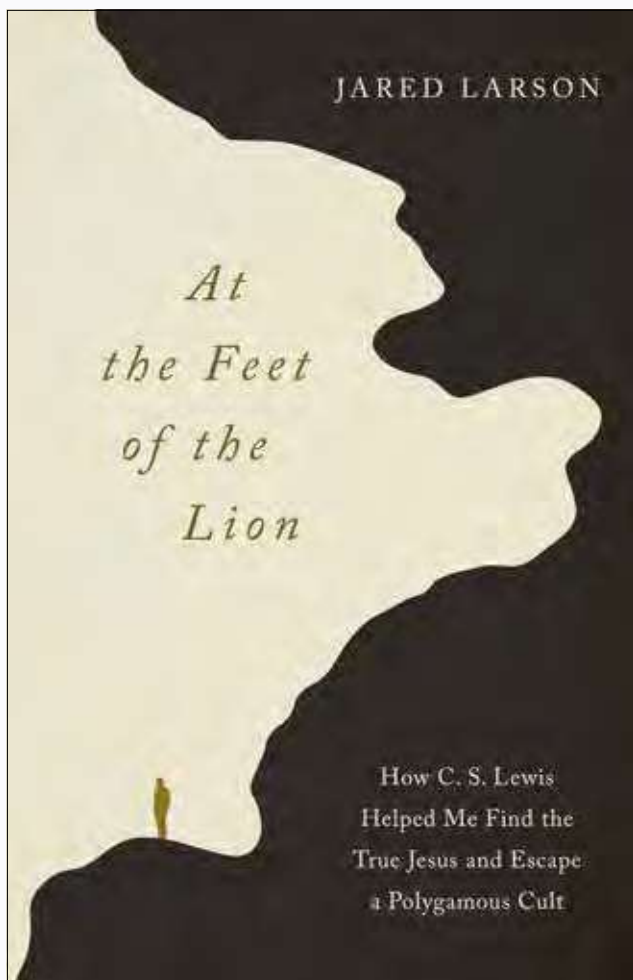

Sue Edwards is professor emeritus of educational ministries and leadership at Dallas Theological Seminary. She is the director of women's ministry at Prestonwood Baptist Church in Dallas. She is the coauthor of several books, including *Organic Ministry to Women* and *40 Questions About Women in Ministry*.

Emma Reid is completing a master of theology degree with a concentration in Bible exposition at Dallas Theological Seminary. Her ministry focus is on biblical literacy, theological education, and equipping the local church. Originally from South Africa, she now resides in Texas with her husband and four children.

Ali Shaw leads the women's ministry at her local church in central Texas and writes for DoNotDepart.com and HelloMornings.org. She is a wife, mother, grandmother, ministry leader, and recent graduate of Dallas Theological Seminary with a master of arts in Christian education.

At the Feet of the Lion

How C. S. Lewis Helped Me Find the True Jesus and Escape a Polygamous Cult

Jared Larson

An incredible journey from Mormon

Fundamentalism to New Atheism to Christ

Raised in a fundamentalist Mormon sect, Jared Larson believed he possessed the truth about God. Yet, as his family of origin deteriorated and the prophecies of their cult leader went unfulfilled, questions roiled under the surface. At first, atheism was Jared's secret reprieve from the cult's suffocating dogma. But he had an inescapable sense that he was loved by a creator. He was caught between worlds: the rigid religion he no longer trusted, and atheism that left him wanting.

Into that crisis stepped an unexpected guide: C. S. Lewis.

After reading several of Lewis's books, Jared began to see that the deepest questions of the human heart cannot be answered by an ideology—whether religious or secular—but only by a Person. Step by step, arguments that once seemed certain began to crumble. Truth was not merely an idea to defend but a living reality found in Jesus Christ.

This riveting personal memoir is about leaving a faith without losing faith altogether. It's about escaping oppression and finding true freedom for the first time. For skeptics, doubters, those deconstructing their faith, and believers who long to go deeper, *At the Feet of the Lion* offers a unique look at Christianity—one that doesn't ignore spiritual abuse or seemingly impossible circumstances, yet never fails to excite the mind and stir the heart.

Jared Larson (MDiv, Gordon-Conwell Theological Seminary) is a pastor, writer, and project coordinator for Global Christian Book Fund, a nonprofit organization that distributes Bibles and theological resources to international church leaders in need (www.gcbf.org). He lives in Connecticut with his family and considers it the joy of his life to be a father to his four beautiful children. With his wife, Lisa, he cofounded Surprised by Christianity, a ministry focused on the relevance of Jesus Christ in a world where the broken need him, skeptics doubt him, and the religious abuse him. Untangling from Unhealthy

A Trauma-Informed Guide for Healing from Church Hurt

Terra Mattson

Practical and compassionate guidance for those hurt by the church

Church is meant to be a safe place to discover our true identity in Christ and experience the love, grace, and hope of Jesus. But for many, it has become a confusing, rigid, and even harmful space. And no hurt stings—or stays—quite like church hurt. Because when we try to untangle ourselves from the unhealthy aspects of a particular church, so many other areas of our lives can feel the impact, and even the fabric of our faith can unravel.

As a trauma-trained counselor who loves Jesus and the Scriptures, Terra Mattson believes healing within the church is possible. In this insightful and grace-filled book, she helps you learn how to

- name unhealthy patterns,
- reclaim grace over shame, identity over loss, and forgiveness over bitterness, and
- distinguish between healthy, simply human, and deeply toxic.

The vision for the church expressed in Scripture is one of unity, love, and mutual support. To the writers of the New Testament, even churches that were unhealthy were worth correcting and saving. If you need to heal and you don't want to lose your faith in the process, this book is for you.

Terra Mattson is cofounder and co-CEO of Living Wholehearted and cofounder and CEO of Courageous Girls. A licensed marriage and family therapist, licensed professional counselor, and executive coach, Terra has spent two decades counseling, coaching, and training leaders in trauma-informed theology and wholehearted leadership. She is the cohost of the *Living Wholehearted Podcast*, the *Courageous Girls Podcast*, and the *Dear Mattsons* YouTube series. She is the author of *Courageous* and coauthor of *Shrinking the Integrity Gap*.

DESCRIPTION

When Sin Is Serious—and Grace Is Greater

Greater Sins, Greater Grace by Jeff Moore tackles a question many Christians avoid: Are all sins equal? Through careful biblical exegesis and theological clarity, Moore shows that Scripture itself distinguishes degrees of sin—without denying that all people stand guilty before God. Far from minimizing grace, this framework magnifies it, revealing the astonishing depth of forgiveness offered in Christ.

Clear, courageous, and pastorally sensitive, this book equips readers to think biblically about moral weight, judgment, and mercy in a confused age. It is an essential resource for pastors, students, and believers who want to take both sin and grace seriously.

DESCRIPTION

Why the Gospel Must Lead the Church's Mission

What should come first in the mission of the church—proclaiming the gospel or meeting physical needs? In *Partnership with Priority*, John Sybert turns to Charles Haddon Spurgeon for a clear, biblical answer. Drawing from Spurgeon's sermons, institutions, and ministries, this book shows how word and deed belong together without being equal. Spurgeon practiced compassionate mercy ministry while firmly insisting that gospel proclamation must remain central. With historical depth and pastoral clarity, Sybert challenges modern assumptions about mission and calls the church back to a gospel-centered vision.

You will discover how to:

- Balance mercy ministry with evangelism
- Learn from Spurgeon's lived theology
- Keep the gospel central without neglecting compassion

AUTHOR

John Sybert (Ph.D., Liberty Baptist Theological Seminary) serves as the senior pastor of Preston Highlands Baptist Church in Dallas, Texas. He is married to Suzy and they have three children.

ENDORSEMENTS

John Sybert argues convincingly, with compelling primary source engagement, that Spurgeon, though he contended and practiced “word and deed can be partners in missions,” the soteriological thrust of gospel proclamation “should be the ultimate priority in the church's mission.”

Tom Nettles
Senior Professor of Historical Theology, The Southern Baptist Theological Seminary, Louisville, Kentucky

With excellent research, sound argumentation, and solid writing, Sybert demonstrates irrefutably that Spurgeon prioritized the proclamation of the gospel in the mission and ministry of the local church, while still maintaining a place for a vibrant social ministry. In this, Spurgeon offers a healthy model for pastors and churches today.

Lead Pastor, Calvary Cork, Cork, Ireland; Host, The Expositor's Collective

In this brief, but wonderfully biblical book, Daniel Hyde will guide you through what the whole of the Scriptures tell us about the presence of God. This presence isn't about mere feelings, but glorious reality. For, as Dr. Hyde shows us, from Eden to the New Jerusalem, when we speak about God's presence, we're speaking about God himself.

Worship and Wisdom for Formation and Flourishing

An Introduction to the Psalms and Wisdom Literature

Ryan J. Cook & Russell L. Meek

Old Testament wisdom and poetic books still speak to the soul

Walking faithfully with God cannot be separated from humans' deepest emotional and spiritual needs. The ancient authors and compilers of Psalms, Job, Proverbs, Ecclesiastes, and Song of Songs consciously addressed this reality in their time. *Worship and Wisdom for Formation and Flourishing* introduces Bible students to these rich OT books.

Cook and Meek offer guidance in understanding the Bible's wisdom and poetic books. Covering technical issues such as authorship, structure, and major themes, they also survey these texts with theological clarity and pastoral sensitivity, drawing out application for individuals, families, and congregations. They do so through different lenses, such as

- cultural context of the poetic tradition,
- literary analysis, and
- emotion research.

Wilderness as a Theme in Biblical Theology

T. Desmond Alexander & Brian S. Rosner,
editors

Explore the Bible's wilderness events and imagery through a biblical-theological lens

God's people continuously show up in the wilderness throughout the pages of Scripture. The authors of this study interpret and reinterpret for new generations these scenes of restriction, isolation, and deprivation.

Wilderness as a Theme in Biblical Theology looks at both the larger picture of Scripture and the specific texts that deal with wilderness themes. Studies include

- wilderness stories in Genesis,
- Israel's forty-year wandering in Exodus and Numbers,
- the experience of Job,
- judgment and exile in Isaiah,
- Jesus's wilderness recapitulation in the Gospels,
- portrayals of the Christian life in Paul's epistles and in Hebrews, and
- the symbolism of the wilderness in Revelation.

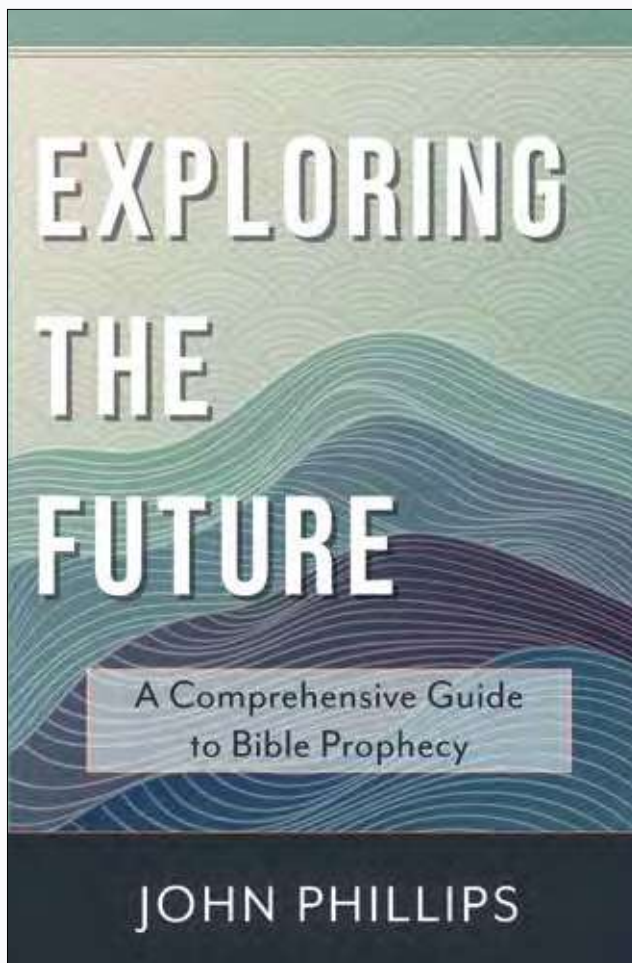

A team of experts in biblical theology investigate these texts deeply through three interrelated questions: What are the purpose and function of wilderness experiences in Scripture? What is the role wilderness plays in salvation history? And how does wilderness shape the Christian life? An underexplored yet coherent teaching emerges about one means God uses to shape his people.

Gregory Goswell

A thorough commentary on each passage of the book of Daniel

In summing up the kingdom theology of the Old Testament and setting the stage for much of Jesus's teaching in the New Testament, the book of Daniel contributes significantly to the message of the entire Bible. Consequently, studying Daniel is a relevant and encouraging experience for the people of God today.

Gregory Goswell delves into Daniel's teachings and connections to the rest of Scripture through passage-by-passage exploration and up-to-date commentary, including discussion of the

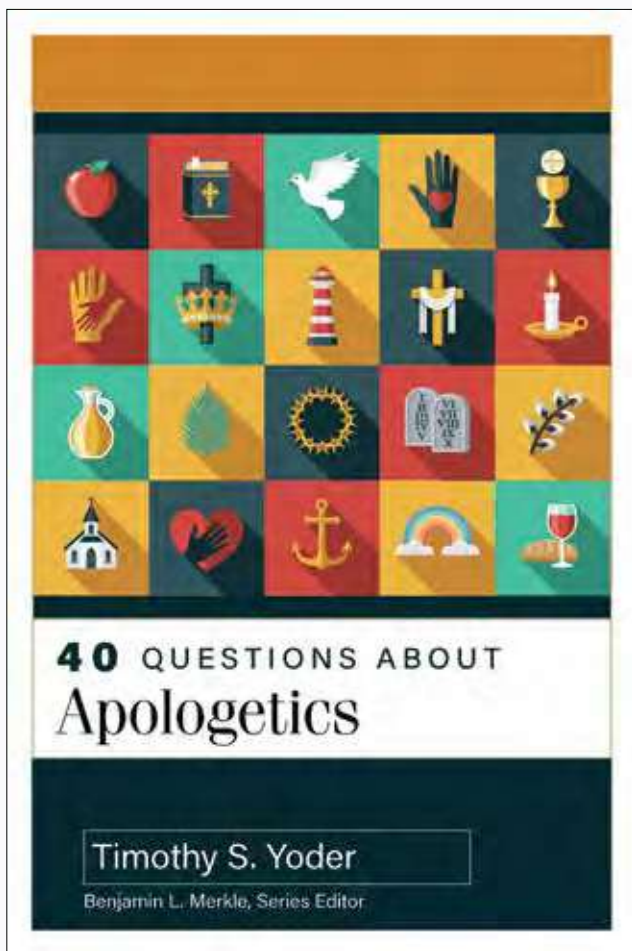

- sovereignty of God,
- concepts later central to Jesus's ministry, such as resurrection and "Son of Man,"
- realities conveyed through fantastic visions,
- nature of wisdom and prayer,
- apocalyptic genre and Daniel's connection to Revelation, and
- ethics of the kingdom of God.

This commentary makes a significant contribution to the academic dialogue on the book of Daniel and to biblical theology. Part of the Kregel Exegetical Library, it is a robust tool for scholars and pastors, examining the themes of kingship, temple, faithfulness, eschatology, and more.

Gregory Goswell (PhD, University of Sydney) is an honorary research fellow of Christ College and adjunct lecturer in biblical studies (Old Testament). He taught at Christ College 1984–2024.

40 Questions About Apologetics

40 QUESTIONS

Timothy S. Yoder

Christian faith deserves a thoughtful defense

Even devout followers of Jesus can have an uneasy relationship with apologetics. We may worry that in debating other beliefs we will look fanatical or unloving, or that we will fail to make an impact on those we talk to. But these fears arise, author Timothy S. Yoder says, from mistaken assumptions and priorities about making a defense of Christianity.

40 Questions About Apologetics demonstrates that through apologetics, we love God with our minds and love our neighbors enough to discuss ideas with eternal significance. Yoder's questions help tease out the main issues in understanding and practicing apologetics, such as

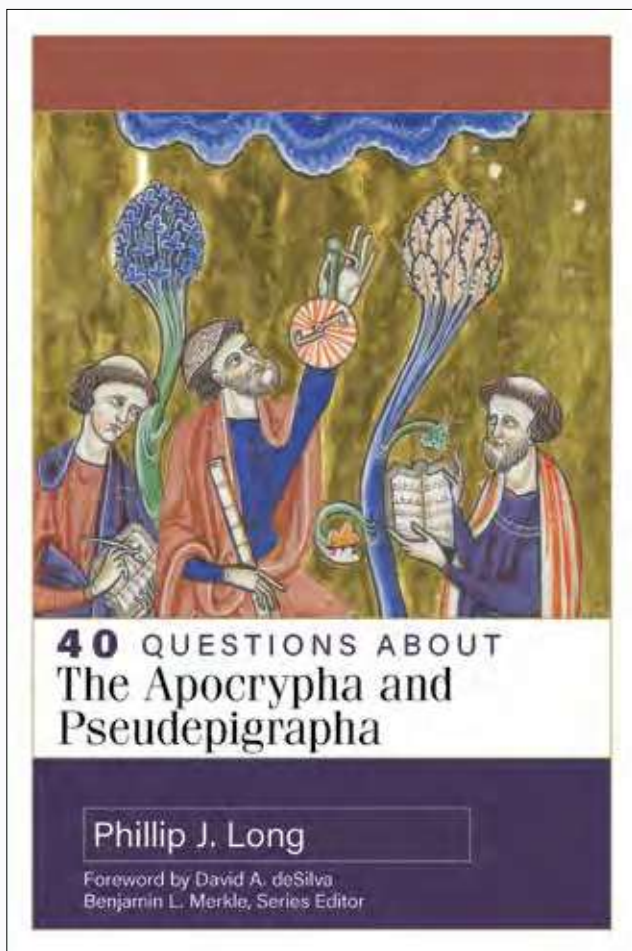

- definitions and examples of apologetics
- common criticisms for belief in God
- the place of the Bible in defending Christianity
- the problem of evil
- other religious beliefs and practices
- Christian perspectives on social issues

40 Questions About Apologetics gives readers a vision for presenting strong reasons for Christianity's truthfulness and responding to the questions of seekers and the objections of skeptics.

Timothy S. Yoder (PhD, Marquette University) has served as professor of theology at Dallas Theological Seminary since 2017. Previously, he taught philosophy, ethics, and apologetics at Cairn University in Pennsylvania.

Unique Selling Points

- Engages the philosophy and practice of apologetics with scrupulous fairness
- Ideal for both faithful believers and thoughtful unbelievers

40 Questions About the Apocrypha and Pseudepigrapha

40 QUESTIONS

Phillip J. Long

Foreword by David A. deSilva

Discover the value of two ancient, extrabiblical book collections

Most Protestant Christians are only vaguely aware of the seven books called the Apocrypha contained in the Roman Catholic canon. The Pseudepigrapha is even less commonly known but has a history of inspiring wild extrabiblical speculations and conspiracy theories. Consequently, many Christians avoid reading both. Yet these books can be valuable aids in understanding Judaism after the end of the exile and before the events of the New Testament.

Biblical scholar Phillip J. Long helps readers ask and answer the most pertinent questions regarding these books, covering authorship, sources, history, doctrines, relationships to Scripture, and more, including

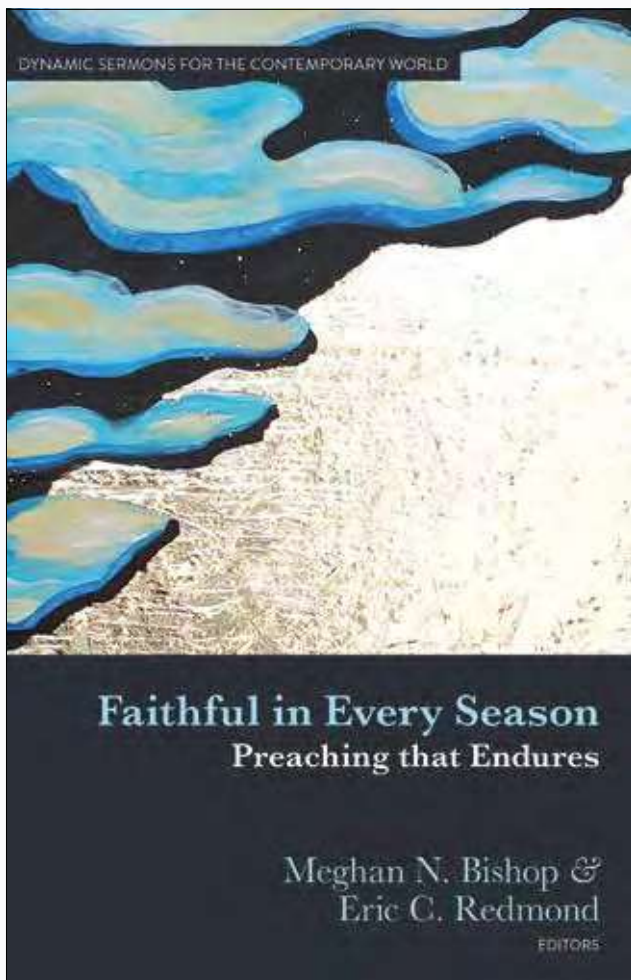

- Why is the Apocrypha accepted as canon by Roman Catholics?
- Why did Protestants reject the Apocrypha?
- Did the writers of the New Testament use the Apocrypha?
- What is the Pseudepigrapha?
- Are the books of the Apocrypha historically reliable?

Accurate yet accessible to the nonexpert reader, *40 Questions About the Apocrypha and Pseudepigrapha* demonstrates the value of understanding these books for New Testament studies.

Phillip J. Long (PhD, Andrews University) is professor of biblical studies at Grace Christian University. He earned master's degrees in biblical exposition and Old Testament from Biola University. His publications include *Jesus the Bridegroom* and *Galatians: Freedom Through God's Grace*. He is a member of the Institute for Biblical Research and the Society of Biblical Literature.

Unique Selling Points

- Comprehensive introduction to complex and neglected writings
- Informed by burgeoning scholarship to help Christian readers contextualize the Jewish world that arose in Jesus's day

John's Letters

A Commentary for Biblical Preaching and Teaching

KERUX COMMENTARIES

Trent A. Rogers & Jeremy M. Kimble

Enables pastors and teachers to understand and effectively present the main message in a biblical text

As Jesus's divine nature and messiahship became contested within the early church, the apostle John sent clear and focused guidance in three short letters. He urged the believers to hold fast to Jesus's identity as the Son of God and the long-awaited Christ, and to live in light of this truth. John wrote with warm pastoral care, praising God for his holiness and love—qualities Jesus's followers will imitate. Authors Trent A. Rogers and Jeremy M. Kimble take up these themes and more in this pastoral, exegetical, and homiletical study. John's letters emphasize the essential connection of sound theology and faithful practice, speaking a powerful message for today's church.

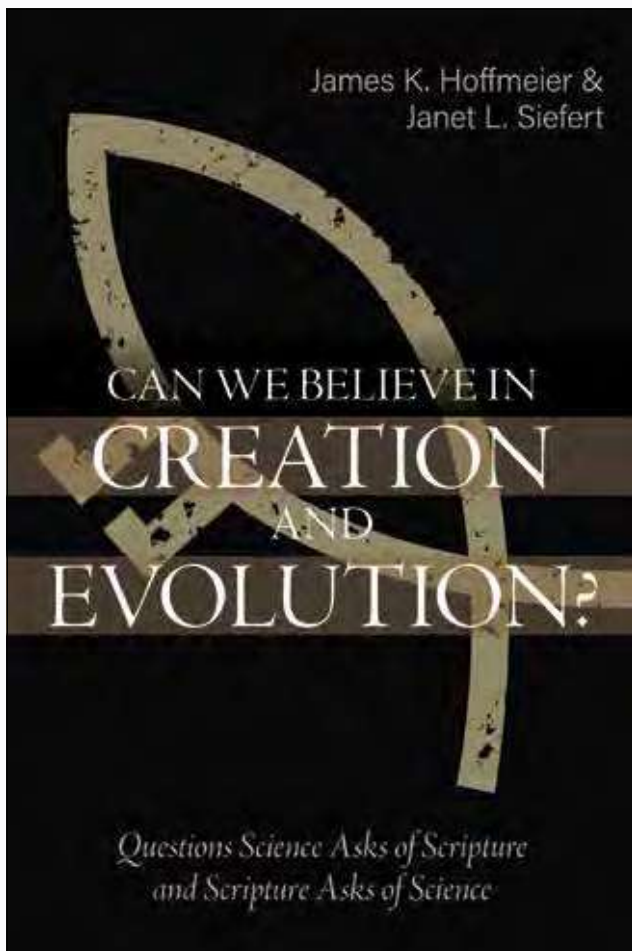

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

Trent A. Rogers (PhD, Loyola University Chicago) serves as a professor and dean of the School of Biblical and Theological Studies at Cedarville University. He has served as a staff pastor and non-staff pastor at his local church. His publications include *God and the Idols* and *Rooted in Truth*.

Jeremy M. Kimble (PhD, Southeastern Baptist Theological Seminary) is associate professor of theology at Cedarville University. He served in pastoral ministry for eight years and currently serves as an elder at Grace Baptist Church in Cedarville. He is passionate about teaching college and graduate students the truth of God's Word. His academic interests include biblical and systematic theology, ecclesiology, and the doctrine of God.

Unique Selling Points

- Robust exposition of each passage with pastoral and academic sensitivity

Can We Believe in Creation and Evolution?

Questions Science Asks of Scripture and Scripture Asks of Science

James K. Hoffmeier & Janet L. Siefert

An honest and accessible treatment of one of the most common objections to Christianity

Many Christians remain skeptical about whether science's current old-earth, evolutionary consensus properly respects the Bible. And many scientists' concerns about Scripture hinder their faith. *Can We Believe in Creation and Evolution?* invites readers to "listen in" as two experts tackle these problems.

Pairing Old Testament scholar and archaeologist James K. Hoffmeier with biologist and genomic researcher Janet L. Siefert, this book addresses questions like

- What is the proper role of science in explaining origins?
- How are scientific experiments about origins conducted?
- Which Scriptures deal with the origins of both the universe and of humans?
- How can we affirm God as creator and evolution as a mechanism of creation?

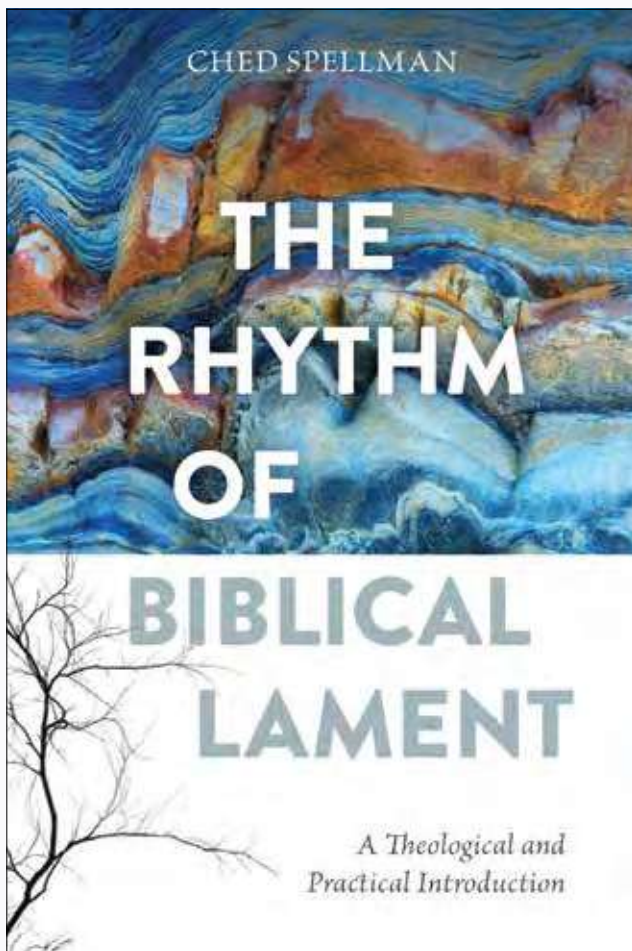

In this book, both authors pose questions, posit answers, and provide reflections. Ultimately, they agree that when science and Scripture are interpreted properly and each discipline stays within its respective lane, conflict between the two need not prevail.

James K. Hoffmeier (PhD, University of Toronto) is emeritus professor of Old Testament and Near Eastern archaeology at Trinity Evangelical Divinity School. His other works include *The Prophets of Israel*.

Janet L. Siefert (PhD, University of Houston) serves as the Lanier Fellow for the Intersection of Science and Faith. She has been featured in multiple documentaries on Discovery, National Geographic, and the History Channel.

Unique Selling Points

- A serious and theologically rich treatment of the modern discussions on science and faith
- Written by an esteemed scientist and renowned biblical scholar

The Rhythm of Biblical Lament

A Theological and Practical Introduction

Ched Spellman

*Lament equips Christians in hopefulness amid
suffering and injustice*

Far from being useful only in times of extreme distress and grief, the practice of lament is a regular feature of the faithful life in both Scripture and church history. *The Rhythm of Biblical Lament* presents lament as a vitally important gift of God for both individuals and communities. When properly incorporated into the Christian life, biblical lament provides the tools for articulating gospel hope in a broken world.

Author Ched Spellman explores the exegetical and theological foundations of lament and demonstrates it as a practice not limited to times of suffering. He breaks down concepts and practices through various lenses, such as

- exegesis of key psalms
- surveys of Old and New Testament texts
- theological reflection
- systematic and historical theology
- practical application

The Rhythm of Biblical Lament is an accessible yet substantive introduction to this topic for students, pastors, Bible teachers, and Christian readers seeking to learn more about a faithful approach to lament.

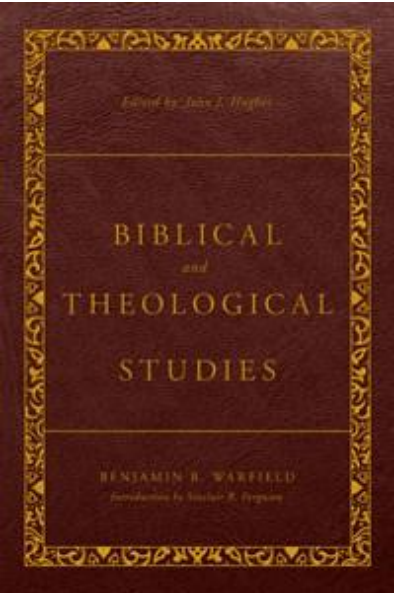

Ched Spellman (PhD, Southwestern Seminary) is professor of biblical and theological studies at Cedarville University. He is also the author of *One Grand Story* and coauthor of *Invitation to Biblical Theology* in Kregel's Invitation to Theological Studies series.

Unique Selling Points

- A timely and appropriate volume advancing the field of biblical theology
- Offers both scholarly and practical insight into a difficult topic
- Intellectually precise yet clear and direct in its presentation

Wisdom for the Church from James, Peter, John, and Jude

Brandon D. Crowe

Summary

The New Testament books of James through Jude-the General or Catholic Epistles-can be overlooked due to their brevity and location at the end of the canon. They contribute much, however, to our understanding of salvation and Christian living. In this accessible introduction for laypeople, pastors, and study group leaders, Professor Crowe explains the content of these letters and their implications for the church today.

This is a revised and updated edition of Brandon Crowe's *Message of the General Epistles in the History of Redemption* (2015).

ENDORSEMENTS

"The General Epistles continue to be relatively ignored, to the church's detriment. This book seeks to remedy that neglect and does so in a winsome and very helpful fashion. Written for a broader audience, it . . . will make an excellent resource for personal and group Bible study."

ENDORSEMENTS

It is a sign of theological distress that such a book is necessary. It is nonetheless, in response to that necessity, that Denny Burk has done the church a great service in giving us this book.

R. Albert Mohler

President, The Southern Baptist Theological Seminary, Louisville, Kentucky

This is simply an outstanding book in many ways. It argues that complementarianism is built into the very structure of creation And it demonstrates admirable exegetical skill in explaining numerous biblical texts and defending their clear meaning in contrast to misleading interpretations. Highly recommended!

Wayne Grudem

In a time of widespread confusion about the most basic features of human identity, this book helpfully returns us to Scripture, to the goodness of God's design in creation, and to the beauty of male and female complementarity.

... a faithful and sensible book. This book serves many purposes: it introduces the essence of complementarianism ("mere") and promises to unify Christians under biblical truth. I recommend Pastor Burk's book highly!

Eliana's Quest

A Family Story of Paul's Second Missionary Journey (Acts 15–18)

Arnold Ytreeide

Over 400,000 copies sold of Ytreeide's beloved family read-aloud series

Join thirteen-year-old Eliana in a New Testament adventure that follows the events of Acts 15–18. This compelling read-aloud book brings biblical locations and characters to life through the eyes of Amon's daughter. A certain influential boy in her life wants to marry her, but Eliana has other ideas!

To escape her fate, Eliana jumps at an opportunity that will take her miles away from the unwanted marriage. As she is a dyer by trade, traveling to new regions to network with the makers of exotic colors will be an invaluable task for her business and customers.

She weaves her way into Paul's band of travelers beginning his second missionary journey. Along the journey, she discovers that her style of doing things is not always what's best—and she learns to give up everything, just like Jesus did. A short devotion is included after each chapter, providing reflection time for families and individual readers.

Arnold Ytreeide is a gifted storyteller who cares deeply about spiritual growth in families. He and his wife live near Boise, Idaho, and he is the proud father of two and grandfather of five. He is the author of the best-selling title *Jotham's Journey* as well as eight other biblical adventure stories.

John Calvin's Illustrated Institutes, Book 1: The Word of God

Chapters 6-9

Martin Williams, Joy Williams, Paul Cox

Summary

This is where our adventure gets really exciting! Calvin is about to show us how God reveals himself most clearly-through his Word, the Bible.

Think about it like this: God revealed his power through creation, but then he gave us something even better so we could actually know him personally. Imagine squinting at everything because you can't see clearly. Then you put on glasses, and everything suddenly comes into focus. The Bible is our pair of glasses.

Creation is amazing, but it's like a teacher who can only point at things without explaining them. In the Bible, God actually speaks directly to us, telling us his name, his promises, and his plan to rescue us.

Are you ready to dive into Scripture with Calvin and discover the most incredible treasure of all-truly knowing God through his Word?

Get ready to explore:

Why we need Scripture: We'll see why the Bible is absolutely essential. Only Scripture can fix our confused ideas and give us real, saving knowledge of God.

The Upside-Down, Inside-Out, Can't-Believe-It Kingdom

Jonathan Landry Cruse, Joe Hox

Summary

In this lively, rhyming tale, a father explains God's upside-down kingdom to his son, introducing young readers to the paradoxical beauty of grace, the cross, and life made right in Christ.

SAMPLE TEXT

"There once was a kingdom, unlike any around,
 For all in the realm was-get this!-*upside down*!
 I see from your eyes that this kingdom sounds stunning,
 Be careful, however, that your thoughts don't go running:
 I mean something special by *upside* and *down*,
 Not grass in the sky, not clouds on the ground.
 The castles don't have any thrones on the ceiling.
 The kingdom won't give you a vertigo feeling.
 No riders on horses fall *up* from their saddle.
 (That'd give every dragon advantage in battle!)

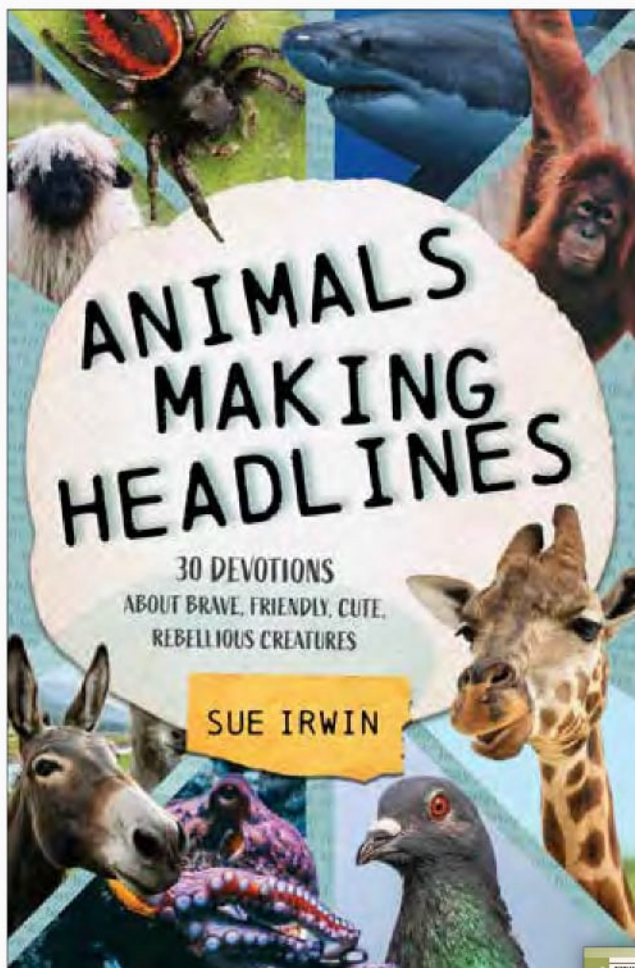

"By *upside* and *down*, I mean *inside* and *out*-
 Let me explain what I'm talking about..."
